*Dear Members & Friends,*

### ***From our President Continued***

Our water customers have learned what we mean when we say that the Spring House will not be open if it is inclement weather. Even though we had not posted the Open signs, some people went to the Spring House and called to let us know it was not open, driving past the entrance sign that stated that the Spring House would not be open if there is inclement weather. The next two weekends we put up the Spring House Closed sign across the entrance. We have been putting out a message on our website and on social media letting people know that we will not open. We recently changed the message on the Society answering machine to include information about the Spring House and directing the caller to check out our website and Facebook page for up-to-date information. If you have not been to the Society website recently, please take a few minutes to check it out, [hsvb.online](http://hsvb.online).

Please be sure to read the sections on our March General Meeting and upcoming open houses. Keep in mind that Society members work to make the events happen, and we appreciate any volunteers. Let us know if you can help.

The Society membership elected the following to serve as officers and trustees for 2025: President Al Tuttle, Vice-President Ken Johnson, Treasurer Keyona Koebel, Secretary Wanda Weber and Trustees Dave Cassell, Mary Geiger, Tiffany Goodman, Linda Karns and Jack Shirley.

More buildings have been repaired and painted and we had a walkway installed from the driveway to the Spring House entrance. This is a help to the water customers who have mobility issues and is safer for all involved.

Please renew your membership if you have not done so already. We appreciate your support.

We are looking forward to visits from the schools again this year, including the history and environmental sciences class at Butler High, the third grade students and the pre-school classes. When I took over as president I made the statement that the Historical Society of Vandalia Butler was one of Vandalia's best kept secrets. With the support of dedicated members, we have changed that.

### ***Membership Dues for 2025***

## **Upcoming Events**

March becomes a busy time at the Historical Society as we prepare for our programs and open houses. On Monday, March 17, we will host our first program of the year. Everyone is invited to hear local resident and Civil War expert, Phil Spaugy present "Captain Crook's Boys". Please see the attached flyer and join us at the Vandalia Library Community Room at 6:30pm. After the presentation, please stay for "Recipes with a History". You will learn the history of and be able to sample a Civil War Era Cake, a Skillet cake popular in the 1920's to 1960's, and a cookie recipe that became popular in the 1940's.

## **March Clean-Up Day**

On Saturday, March 29, we will have our annual clean-up day as we prepare to re-open our buildings in April. We can use help with many jobs: removing trash from the grounds, raking leaves, picking up limbs, dusting and floor sweeping in all the buildings, etc. We will have beds to make and displays to prepare. The time is 9 am to 12 noon. If the weather is rainy, our work day will be Saturday, April 5, also from 9 until noon.

## **From Our Collections**

We have an 18th Century Leather Fire Bucket that was donated by Friends from Lichtenfels, West Germany.

Leather buckets were used in the 17th century and maybe earlier. Water from rivers and ponds was carried to a fire in leather buckets. Leather is relatively dense, making it difficult to ignite. The bottoms of the fire buckets were rounded to prevent them from being used for storage or other purposes. The fire bucket will be on display in the log house.

## **April Open House**

Our April Open House will be Sunday, April 6 from 1-3. There will not be an open house on Easter Sunday, April 20. Our feature for April is the 1913 Flood. The flood began in March of 1913. The town of Tadmor was flooded and then abandoned. Dayton was flooded with up to 20 feet of water. We have many photographs of the flood, damages, and rescue efforts. In response to the flooding, the Miami Conservancy District was formed and 5 dams were built. We have a large display of the building of Taylorsville Dam. Building Taylorsville was a huge project that took several years to complete. These displays will be in the meeting house, but all of our buildings will be open.

## 250<sup>TH</sup> ANNIVERSARY OF PAUL REVERE'S MIDNIGHT RIDE

April 18, 2025 is the exact 250th Anniversary of Paul Revere's Ride. The next day is the anniversary of the battles at Concord and Lexington, considered the beginning of the Revolutionary War. To commemorate these events, the local chapters of the Daughters of the American Revolution (DAR) and Sons of the American Revolution (SAR) are teaming up to present a historical program.

The program will take place Friday, April 18th at the Waco Airfield located at 1865 S. County Road 25A in Troy, Ohio beginning at 2:00 pm. This is a family-friendly free event. The public is encouraged to bring a lawn chair.

This short program includes colonial music, color guard of historical flags, a reading of Henry Wadsworth Longfellow's poem "Paul Revere's Ride" and a discussion of the poem's historical inaccuracies. DAR and SAR members will be in colonial attire. The horse is provided by 4-Freedom Equestrian Team. Children and families will be able to join us for photos.

The event is organized by the Piqua-Lewis Boyer Chapter DAR and Richard Montgomery Chapter SAR.

Steve Pelfrey's talents were put to good use in making an insert for our WWI Engineer's Chest. This empty chest was found in the loft in the barn. Linda Karns cleaned the outside of it and did research on what it possibly looked like during its use. Steve then made shelves and drawers that fit perfectly and really complete the chest.

Marilou Cannon, founding member of the Society and widow of Dick Cannon, gifted us with a beautiful framed copper etching of the Log House. This was presented to Dick for his service as President of the Society in 1984-1985. This etching was done by Steven Wright, son of Dr. Wayne and Susan Wright. We will display this etching in the Meeting House.

Judith S. Smith (“Dee”)  
March 4, 1944 – January 13, 2025

Smith, Judith Sarles, lovingly known as “Dee”, passed away peacefully on January 13, 2025, at her home in Butler Township, surrounded by her the love of her devoted husband and children. Dee was born on March 5, 1944, in Cincinnati, Ohio, to the late Bernice Green Sarles and John Edward Sarles. She grew up in Norwood, Ohio where she graduated from Norwood High School in 1962.

Dee was the cherished wife of Larry Smith for 60 years. Together they built a beautiful life filled with love and adventure. She is survived by her devoted husband Larry Smith; her son, John E. Smith (Zeila); her daughter, Judith A. Smith; and her beloved granddaughters, Kayla M. Smith and Jessika K. Smith.

A lifelong learner with an insatiable curiosity for the world around her, Dee pursued higher education with passion. She earned an Associate’s degree in Home Economics from the University of Cincinnati, followed by a Bachelor of Science in Geology and a Master’s in Education from Wright State University.

Dee’s love for travel carried her across the globe on remarkable journeys that reflected her adventurous spirit. From riding the Trans-Siberian Railway across Russia to exploring Mexico’s Copper Canyon via Railway and exploring Alaska’s majestic landscapes via luxury cruise and railway, she embraced every opportunity to experience the world’s wonders. Her travels also included flights aboard historic Ford Trimotor planes over Lake Erie, and voyages along the Ohio River aboard the Delta Queen. Her explorations extended to destinations across the U.S., Canada, Europe, and beyond.

Throughout her life, Dee was an active member of numerous organizations that reflected her diverse interests and dedication to community service. She enjoyed participating in the Tipp City Community Band, U.D. New Horizons Band, Englewood Civic Band, Daughters of the American Revolution (Piqua-Lewis Boyer Chapter), Antioch Shrine Gun Club (Annie Oakley award 2023), Green Acres Garden Club, Geology Society, Dayton Amateur Radio Association, Vandalia Historical Society, Aullwood Audubon Center and Farm, Vandalia Lions Club and other organizations.

Dee’s vibrant life touched all who knew her. Her adventurous spirit, kindness and enduring love for family will remain treasured by all who knew her. She was loved by all.

Be sure to check out our new website at: **hsvb.online** and our new Facebook page **Facebook.com/hsvb.online**

### ***Recycle Your Aluminum***
